Rally at People's Park! March in Protest!
Saturday, February 9, 2019, 1 PM

Bring water
and a lunch!

On January 22, 2019, supporters of People's Park marched down Telegraph Avenue to Sproul Plaza. This peaceful protest was interrupted by a reckless driver who pushed up on the protesters and struck a sleeping homeless man as he fled the scene driving on the sidewalk and driving the wrong way on Durant Avenue. Police have refused to release the identity of the driver or respond to this blatant attack on poor people in the City of Berkeley.

**Join us for a rally, then march with us,
as we come together to
expose these injustices and fight back!**
