

# The future of southside Berkeley's Parks?

*Trees Oxygen Gardens*

## *Now is the time to maintain nature's gifts!*

- We need MORE, not less, open green space in Southside!
- According to Alameda County records, UC owns acres of land all over Berkeley and the Bay Area, including south of campus

*Come and share your visions for how to make these essential parks open to and usable by everyone.*

### **JOIN US!**

Please attend an important community meeting to discuss these issues!

**March 30, 2022 @ 7PM**

at Seventh Day Adventist Church
